

# EMS Posting Locations (Day Shift)

Updated 4/18/2017

As ambulances become available, send them to the highest-ranked, vacant location. The first three locations should be considered the primary posting locations. If one of these three locations becomes vacant and there is an ambulance in a secondary posting location, move it to the primary location.

Name	Address	Primary Location	Rank
Tulane Medical Center		X	1
I-10 and Read Blvd		X	2
Holiday and DeGaulle		X	3
